

Grace series

Designed by Yonoh Creative Studio, Spain

The Grace sofas have a sophisticated and feminine design, inspired by the elegant 1970s aesthetic with soft, precise lines that are almost musical in their expression. The series comprises sofas from a small 2-seater model to larger, asymmetrical chaise longue or open-end models, as well as a beautiful round pouf. Place it wherever you choose in the room and let the organic shapes come into their own.

Meet the designer

We always say that we design for people, and that's what defines us as designers. We try to do things simple and functional without forgetting the freshness. We are inspired by our everyday surroundings. Even if we are at home or we travel around the world we catch the essence of each place and give it to our designs. The perfect design is that one that makes an object simple and easy. The best design is defined by the little details.
