

Split series

Designed by Meike Harde, Germany

Split is inspired by nature and the different kinds of pebbles you find when strolling along the beach. The pouf can be covered in different fabric colours in selected combinations. The design language is soft, asymmetrical and organic, which emphasises the natural design and expresses clear references to our Scandinavian design heritage.

Meet the designer

My designs are characterized through fine structures, certain transparencies and subtle details adapted in pure shapes. My designs aim towards an aesthetic synergy of material and form. I believe that a decorative element should walk hand in hand with a useful purpose. For me, function and aesthetic are a unified whole.
