COMPREHENSIVE DESKING AND STORAGE SYSTEM

Impact is a stylish versatile casegoods system that blends exceptional functionality with a refined aesthetic. A wide variety of table bases, supports and worksurfaces, together with freestanding and wall-mounted storage elements, support the customization of high-performance executive workspaces. The clean modern design, craftsmanship and quality in every detail, with beautiful natural veneers and handcrafted upholstered elements, ensure a stylish elegant finish.

CREATING QUIET SPACES FOR FOCUSED WORK

Shape quiet executive space free from distraction and physical interruptions for focused thinking and confidential tasks.

The generous desks provide space to spread out work, the shelves and storage elements enable tools and resources to be kept within easy reach. The use of natural wood veneer for all Impact elements creates a calming environment, with cushions and seat colors adding a dash of vitality.

PRIVATE OFFICES THAT OPTIMIZE REAL ESTATE

Impact executive space supports focused individual work, as well as small face-to-face team meetings over the large open desk. The freestanding storage enables secure storage of tools and documents, and provides casual extra seating, so the space can be utilized by other staff for meetings and work, or doubling up when visiting executives are in town. This versatility expands the available palette of place, enhancing space and real estate utilization.
